The 18m StratoSphere is an incredibly versatile structure that can be used for a number of different purposes. Its 3-way door alignment makes for easy access and exit and can be installed with either revolve, airlock doors or a combination of the two.

With an internal floor space of almost 200m², the 18m is the perfect solution for anything from an exhibition space to dinner and corporate events. The immersive nature of the dome structure creates an experiential environment that can be enhanced through the creation of bespoke content designed by our in-house creative team.
