

Internal Floor Space: 403m²

Total Footprint: 1225m² (35m x 35m)

Doors: 4

Blackout Dome: Yes (optional)

Power to inflate dome: Mains supply or 30kVA generator

Diameter at centre: 25 meters

The largest of all the StratoSpheres, the 25 meter dominates any environment and with a 400m² floor space it can comfortably host over 1000 guests.

If you need to make a big impression for a lot of people, the 25m is the perfect solution. Its night time projections can be seen across huge distances making it an ideal venue or advertising space.

Due to its sheer size and cavernous interior the 25m can be transformed and utilised as you wish. Truss, staging, additional lighting as well as engaging 360° video, your guests can be transported to anywhere in the world...or beyond!
